

ALL ABOARD!!!

The **Detroit Model Railroad Club** invites you to join us for our fall O Scale Gathering operating session at 104 North Saginaw in Holly, MI.

Saturday, October 22, 2022

The session will begin at 9:00 AM with coffee and doughnuts while you tour the layout and get oriented with our railroad. Feel free to take as many pictures as you would like. Around 9:30 AM we will gather upstairs in our club meeting room to go over our operating system, our throttles, and to make crew assignments.

Operations will run until about 1:00 PM. For those who have to get home, we thank you for attending. For those who are still hungry for operations after lunch, we will make new crew assignments and get going around 2:00 PM and operate until we run out of things to do.

Our club has about 6000 feet of hand-laid track for our 2-rail O scale layout. We run freight and passenger trains with both steam and diesel locomotives using wireless DCC throttles from NCE. Train lengths run from a 2-car RDC to a coal drag nearly 50 feet long. Jobs range from working the large classification yard or switching local industries up through heavy main line operation.

This session is open to anyone interested in railroad operations regardless of scale. Please pass this invitation along to anyone you know who would like to take part. Watching trains run in circles is fun but running trains that have a purpose is even better.

See our website at www.dmrrc.org for pictures of our club and its layout. This site also has a map of where we are located. Guest spots are limited so if you are interested in attending this operations session, please register by sending an e-mail to operations@dmrrc.org or call/text 248-464-0206 for more information.

THE DETROIT MODEL RAILROAD CLUB, INC.

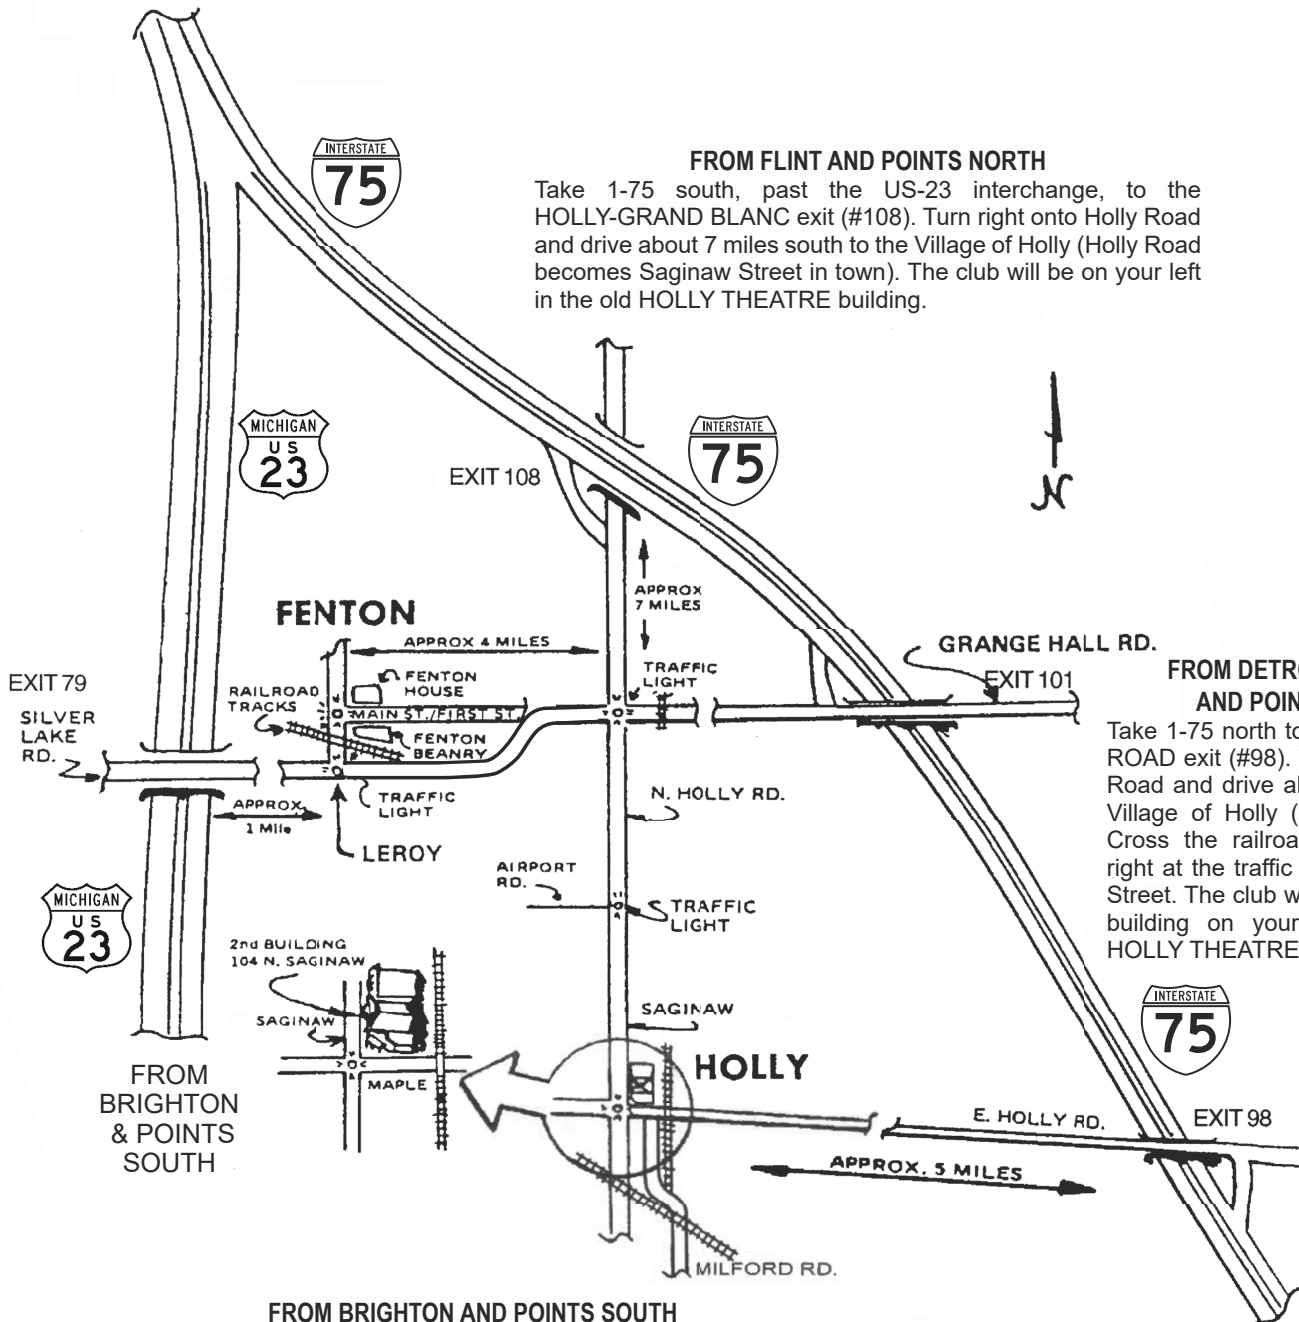

104 NORTH SAGINAW STREET, HOLLY, MICHIGAN 48442

& POINTS
NORTH

FROM FLINT AND POINTS NORTH

Take 1-75 south, past the US-23 interchange, to the HOLLY-GRAND BLANC exit (#108). Turn right onto Holly Road and drive about 7 miles south to the Village of Holly (Holly Road becomes Saginaw Street in town). The club will be on your left in the old HOLLY THEATRE building.

FROM DETROIT, PONTIAC AND POINTS SOUTH

Take 1-75 north to the EAST HOLLY ROAD exit (#98). Turn left onto Holly Road and drive about 5 miles to the Village of Holly (you can't miss it). Cross the railroad tracks and turn right at the traffic light onto Saginaw Street. The club will be in the second building on your right in the old HOLLY THEATRE building.

FROM BRIGHTON AND POINTS SOUTH

Take US-23 north to the SILVER LAKE ROAD-LINDEN exit (#79). Turn right onto Silver Lake Road and drive about 2 miles to downtown Fenton (road name changes to Main Street in town). Continue straight through the traffic light at Leroy and cross the railroad tracks (road name changes to Grange Hall Road east of town). Drive for about 4 more miles to Holly Road. Turn right onto Holly Road and drive about 1 mile south to the Village of Holly (Holly Road becomes Saginaw Street in town). The club will be on your left in the old HOLLY THEATRE building.
